# ON JOBS PAGE: GETTING CANDIDATES WITH AI SUGGESTIONS

## Follow the steps here:

### 1. Navigate to Job Listings

- Go to the "Jobs" page in the Recruiter Portal.

### 2. AI Recommendations

- For each job posting, AI-powered suggestions will be displayed with a list of candidates that match the job criteria.
- The AI suggests candidates based on the job title, required skills, experience, and other factors.

### 3. Review Candidates

- Browse the AI-suggested list and view candidate profiles.
- You can shortlist or schedule interviews directly from the suggestions.
